SUBJECT: ALBANIA: PROTESTING THE IRANIAN REGIME'S
TREATMENT OF RELIGIOUS MINORITIES, PARTICULARLY THE BAHAI

REF: A. STATE 54484

[1](#)B. TIRANA 40

[1](#)1. (U) Pol/Econ Chief raised reftel demarche with Mimoza Kondo, Office Director for the Americas desk at the MFA. Kondo was not aware of the issue, and thanked us for the information. She noted the sensitive nature of religious issues in Albania, but agreed that religious tolerance was something governments should support. Kondo agreed this is certainly something MFA officials could raise with Iranians provided the issue came up. She would undertake to see if this was also something the GOA could more publicly.

[1](#)2. (SBU) Comment: The mufti in the northern city of Shkodra (a Catholic stronghold) has raised concerns about the placement of a statue of Mother Teresa in a public square (Ref B). While tensions are not particularly high, and the mufti appears to be walking back some of his more strident comments, we expect that the GOA will want to steer clear of commenting publicly on any religious issue for now. End Comment.
